

# Mrs. Miller's Algebra 2 Supply List

- Pencils
- Highlighters
- Red Pen (or any colored pen)
- Loose-Leaf Notebook Paper
- Loose-Leaf Graph Paper
- 1 3-Ring Binder
  - You will need to have a binder that is dedicated to only this class. A 1-inch or 1.5-inch binder is recommended.
- 1 Pack of 5 Tab Dividers
- Calculator
  - Everyone will have access to the school's TI-84 Plus graphing calculators; however, you will need to have a calculator at home to do your homework. If you are considering taking higher-level mathematics classes, you will want to get a TI-84 Plus graphing calculator; otherwise, a scientific calculator (TI-30x IIS, IT-30x IIB) will be sufficient. Students may also check out TI-84 graphing calculators from the SHHS library.
- \$5 Math fee
  - The math fee covers the cost of batteries for our graphing calculators, as well as other supplies used by students in my class. Your student may bring cash or check (make checks out to Science Hill High School). Class fees can also be paid online at [www.jcschools.org](http://www.jcschools.org)

## **If you would like to donate to our class, we are always in need of:**

- Boxes of Tissues
- Skinny BLACK Expo Markers
- Hand Sanitizer
- Paper Towels
- Clorox Cleaning Wipes
